Tasks are Critical

- Tasks form the corner stones of the CMP
- The work is done here

Momentum

- Set points along the way that demonstrate progress toward the overall goal.
- Celebrate accomplishing key tasks!

Goals vs. Task

- ▶ Goals are where you and the Offender are trying to get.
- ▶ Tasks are the steps you will take to get there.

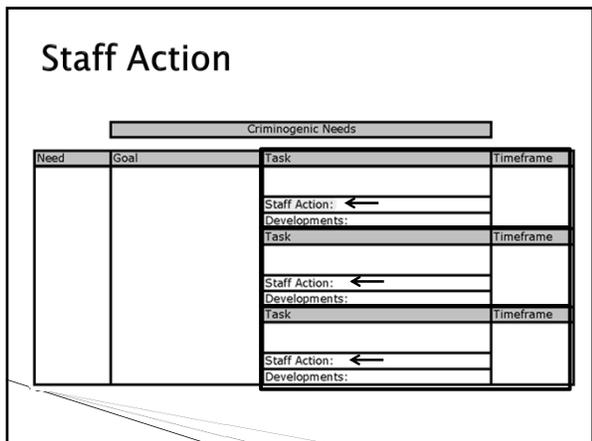

Dosage

- ▶ Portion Control
- ▶ Stabilization
- ▶ Risk Reduction
- ▶ Risk Containment

Dosage & Goals

- ▶ Programs
 - Evidence Based
 - Barriers

Staff Action

- › Staff Actions are often very simple, but can have a lot of impact.
- › Staff set the tone of the entire process.

Staff Action Examples

- › Provide contact information for local rehabilitation programs
- ☐ Verify attendance at AA/NA via sign in sheet
- ☐ Conduct routine urinalysis to include testing for marijuana and cocaine

Staff Action Examples

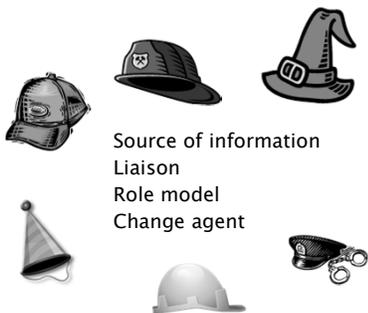

- ▶ Role play with offender to practice Domestic Violence Action Plan
- ▶ Provide contact information for local legal resources
- ▶ Establish an emergency after hours contact procedure

Staff Action

- ▶ Case Managers must *collaborate* with the Offender.
- ▶ Offenders need your help and guidance to achieve their goals.

Which hat to wear?

Problem solver
Instructor
Motivator
Advocate

Staff Action

- ▶ Employee/Supervisor Scenario

Staff Interaction with Offenders

- ▶ Everyone wants to feel valuable
- ▶ Everyone wants respect
- ▶ The power of Hope

Staff Should Demonstrate:

- ▶ Mutual respect
- ▶ Openness
- ▶ Attentiveness
- ▶ Structure and support
- ▶ Empathy
- ▶ Genuineness
- ▶ Flexibility

Staff Relationships with Offenders

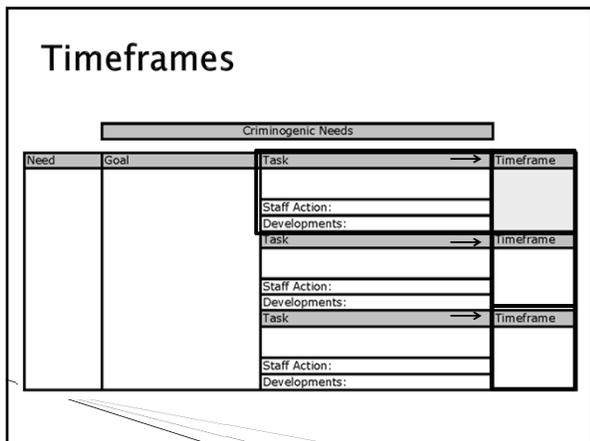

- ▶ Role Modeling
- ▶ Communication and interaction can be the best interventions

Developments

- ▶ Received GED
- ▶ Graduated Substance Abuse Program
- ▶ Refusal Form Signed
- ▶ Offender is currently on waiting list

Progressing Over Time

- ▶ Plans will change over time
- ▶ Periodically reevaluate Interventions
 - Are we reducing risk
 - Should we change course
- ▶ Reducing risk over time

Active & Inactive Goals

- ▶ KOMS function
- ▶ Allows goals that are no longer relevant to be saved
 - Probation → Incarceration → Parole
 - Incarceration → Parole → Incarceration
- ▶ Dynamic Element

Non-Criminogenic Needs

Case Management Teams

The Case Manager is the Quarterback and Resource Broker.

Brainstorm

- ▶ What partners are available in your community to provide services?
- ▶ What if the needed partners do not exist or are not available?

Creative Case Planning

- ▶ What do you do when no resources seem readily available?
- ▶ Seemingly "hopeless" situations
- ▶ Use your lifelines!
