

# FAMILY AND CHILDREN IN THE SYSTEMS OF CARE

# PURPOSE

Youth and family representatives discuss their experiences within the various systems of care.

# **OBJECTIVE I**

To gain knowledge and understanding as youth and family stakeholders illustrate their experiences within systems of care.

## **OBJECTIVE 2**

To examine the effectiveness of services through the qualitative information shared by the panelists.

## **OBJECTIVE 3**

To utilize these stories and ideas in incorporating experience-based decisions wherever your circle of care reaches.
