

# 2015 REVISED KY FOCUS TOOL TRAINING

# A little history if you don't mind...

- It is the mission of the Division of Developmental and Intellectual Disabilities (DDID) to empower each person to realize his or her place in the community as a citizen of the Commonwealth of Kentucky. To accomplish this mission, DDID partners with persons with intellectual or developmental disabilities, families, advocates, stakeholders and government agencies.

# SCL OUTCOMES PYRAMID

# A little more history...

- SCL Listening Tour 2008 We met with almost 200 people across the state
- We heard that people wanted jobs, relationships, and living options
- National Core Indicators Have participated since 1998
  - Data continues to show poor outcomes in Employment
  - Health and Wellness
  - Choice and Decision Making
  - Relationships

What we have been...  
(dare I say it???)

***...CHANGING...***

# SCL 2

- New services to help people become empowered to be a part of the broader community
  - Emphasis on community life
  - Emphasis on competitive employment in the community
  - Emphasis on person centered processes
  - Emphasis on conflict free services

# KY FOCUS TOOL

- Introduced to SCL Case Managers and Supervisors in 2012
- Workgroup of 13 SCL Case Management Provider Agencies worked with DDID to revise in 2014
- Additional revisions have been made in 2015 to enhance functionality, add the PDS Focus Area, and address electronic signatures
- THANK YOU TO ALL WHO HELPED!!!!

# PURPOSE OF THE KY FOCUS TOOL

- Designed to be used by SCL Case Managers as you conduct your monthly face-to-face monitoring visits with the people you work for
- Designed to capture information about SCL services
- Designed to capture information about the person's satisfaction with their lives
- Designed to monitor progress towards the person's outcomes
- Designed to identify a person's status in 8 focus areas

# 8 FOCUS AREAS

- Face-to-Face Visit
- People are Healthy and Safe in Their Community
- Behavioral Health/Behavioral Modification
- Person Centered Services and Natural Supports
- Daily Choice and Decision Making
- Finding and Maintaining Friends and Relationships
- Employment First
- Participant Directed Services

# 2015 KY Focus Tool

## what it isn't used for...

- Retaliation
- Power Plays
- Control
- Manipulation

# 2015 KY Focus Tool

## what it is for...

- Determine the status of a person's satisfaction with their services and supports in the SCL waiver program
- Identify barriers and obstacles that limit positive outcomes for people
- Encourage communication within the person-centered teams resulting in positive outcomes for people
- Help organize your case management work
