5. Please share one thing SIAC can do to better support your RIAC.	
 Access to a resource guide for services available statewide. 	
 Encourage and/or mandate attendance/participation in regular RIAC meeting 	
with designated representatives from each agency.	
 Regular contact with representation from the SIAC in the form of a 	
representative from SIAC attending RIAC meetings. This would be helpful to	
bridge the gap between the two parties.	
6. Share interactions/interventions your RIAC implemented.	
<u>KY River RIAC</u> :	
Expanded and diversified the RIAC membership.	
 Supported development of regional Youth Councils 	
 Supported continued use of therapeutic child support workers in the region. 	
 Developed an "email around" process when a youth has a need prior to the 	
scheduled RIAC meeting or a referral is identified as needing emergency	
acceptance; process ensures youth have access to services immediately.	
 Developed and utilizes a Level of Care during referral presentations. 	
 Allows for new staff orientation for all staff of agencies represented on the RIAC. 	
New staff are encouraged to attend and observe a RIAC meeting.	
 Supported the Regional Autism Forum and development of ongoing Autism 	
Services in the region.	
 Supports the treatment team focus in the region which ensures that clinicians 	
and service coordinators are teamed with families and help to facilitate the	
treatment and wraparound process.	
 Policies and Procedures were changed to include co-occurring MH & SA which 	
has allowed the KY River RIAC to serve youth with co-occurring issues for the	
past several years.	
Receives universal referrals from the regional Sewell Crisis Stabilization Center

	 August Agenda to include updates from Design Teams Initial distribution to SIAC Members/ Designees will occur at August SIAC meeting; SIAC will review Design Team recommendations & contact Team Leads w/ questions, comments b/t August & September SIAC meetings. Plan is for SIAC to vote on Design Team Recommendations at the September SIAC meeting. The August SIAC meeting date may be changed as Commissioner Holliday has requested to attend SIAC when the Design Team recommendations are presented to SIAC and he is not available on the current date set for the August SIAC. Every effort will be made to accommodate this request and notice will go to all SIAC Members/ Designees as soon as the August date is set; all SIAC Members (Commissioner level) are encouraged to attend this meeting to hear the design team reports. 	SIAC August Meeting Date will be changed to support Commissioner level attendance; SIAC Chair encourages all SIAC Members to hear the Design Team recommendations to SIAC.
	 August Agenda to include initial planning for SIAC's 'Annual Recommendations to LRC & Governor' (due to Governor's Office in October or November 2014) We will also talk about recommendations to the governor. 	SIAC Chair emphasized that planning for SIAC's Annual recommendations must be a cooperative effort and some recommendations may come out of the Design Teams. Chair encouraged SIAC Members & Designees to consider recommendations individually and with their teams.

KDE More - This week we met with the school based screening group. There has been a lot of work already done by Heather Dearing and her team. Looking for ways to roll that out and integrate that with ongoing efforts. FRYSC - School based screenings are a current focus. DPH5 community forums for the report out from the community assessment; recommendations from this would be of interest to SIAC. DMS -Continuing to enroll providers and provider types. BHSO webinar was provided to a wide audience this week. CCSHN -Amy Cooper-Puckett is now Director for the Office of Autism. Having KCASD; Dr. Gregory Mars will be co-presenting a vision for developing a network for treatment, research and training, which fits with vision of the Council, the needs assessment results, and opportunities for collaboration.
