Kentucky Kids: Happy, Healthy, At
Home, In School, Out of Trouble

They're all our kids.

Kentucky's Children & Youth

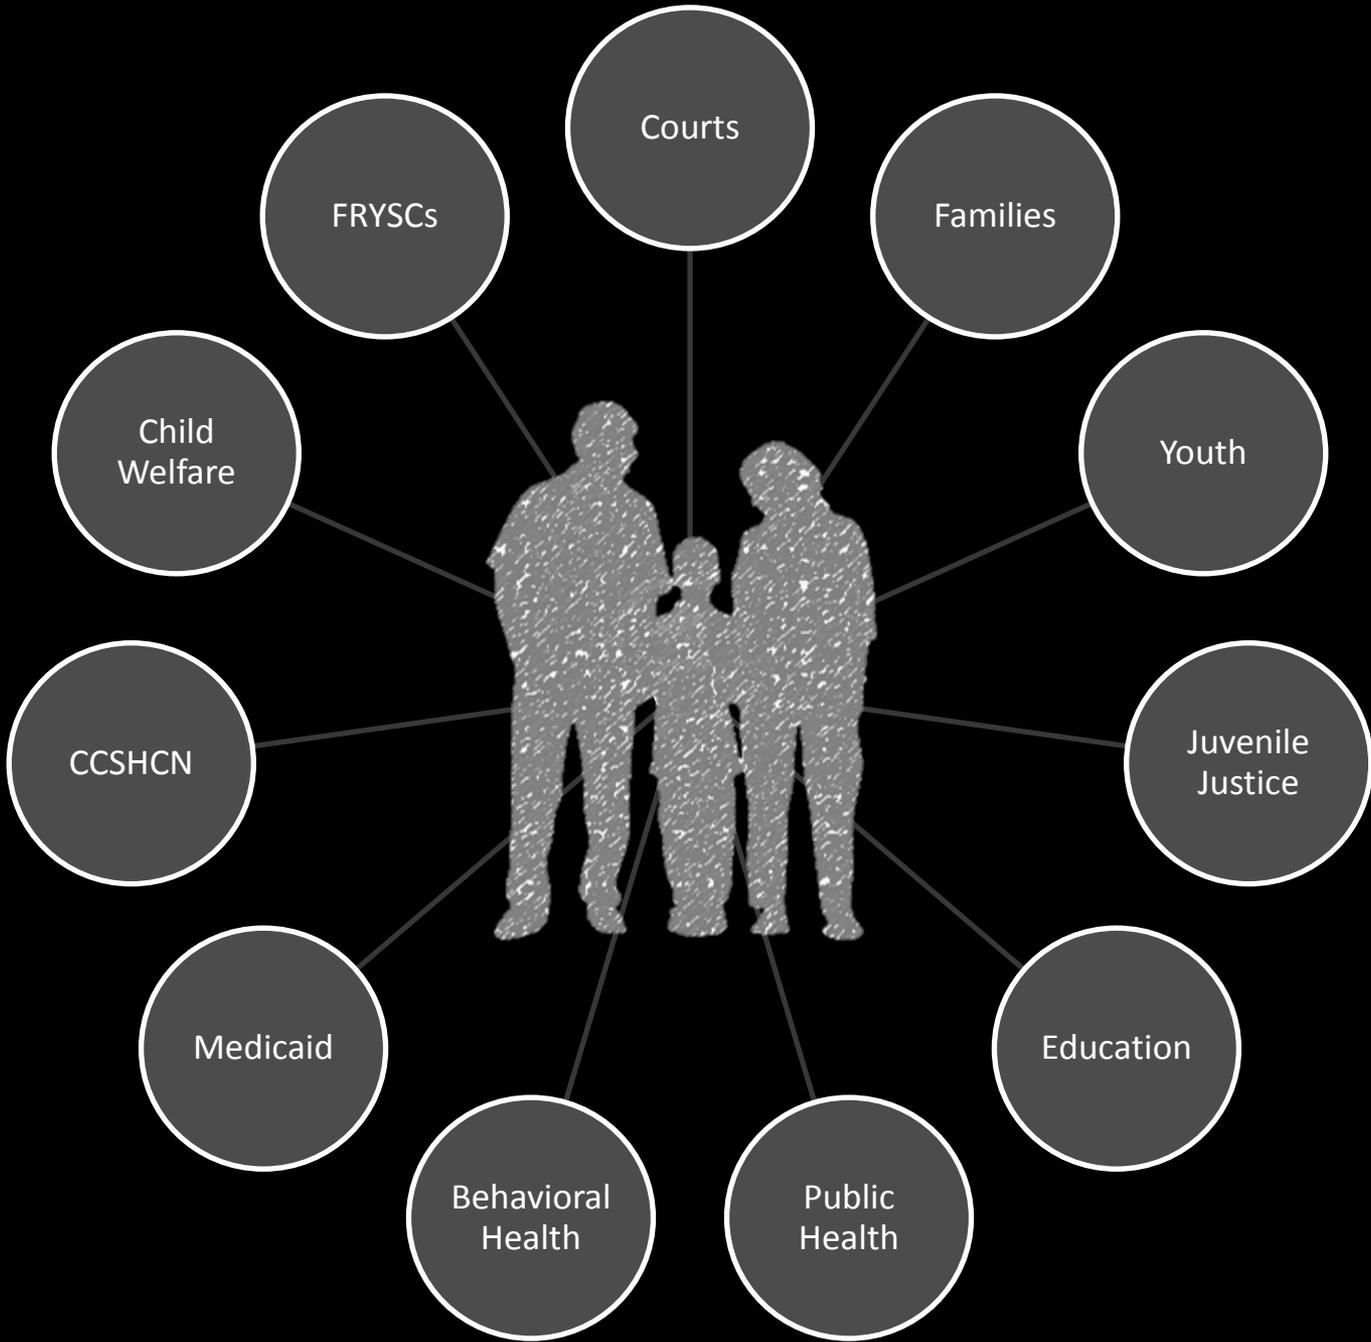

- 25% live in poverty
- 14% don't graduate on time
- 20% have a diagnosable behavioral health problem
- 10% may suffer from a serious emotional disability
- 66% of youth report at least one traumatic event by age 16
- Over 60% with behavioral health challenges are not getting the help they need

System of Care Expansion & Redesign

System of Care

A spectrum of coordinated, effective, community-based services and supports for children and youth with or at-risk of behavioral health or other challenges and their families... helping them function better at home, in school, in the community, and throughout life.

KY System of Care Partners

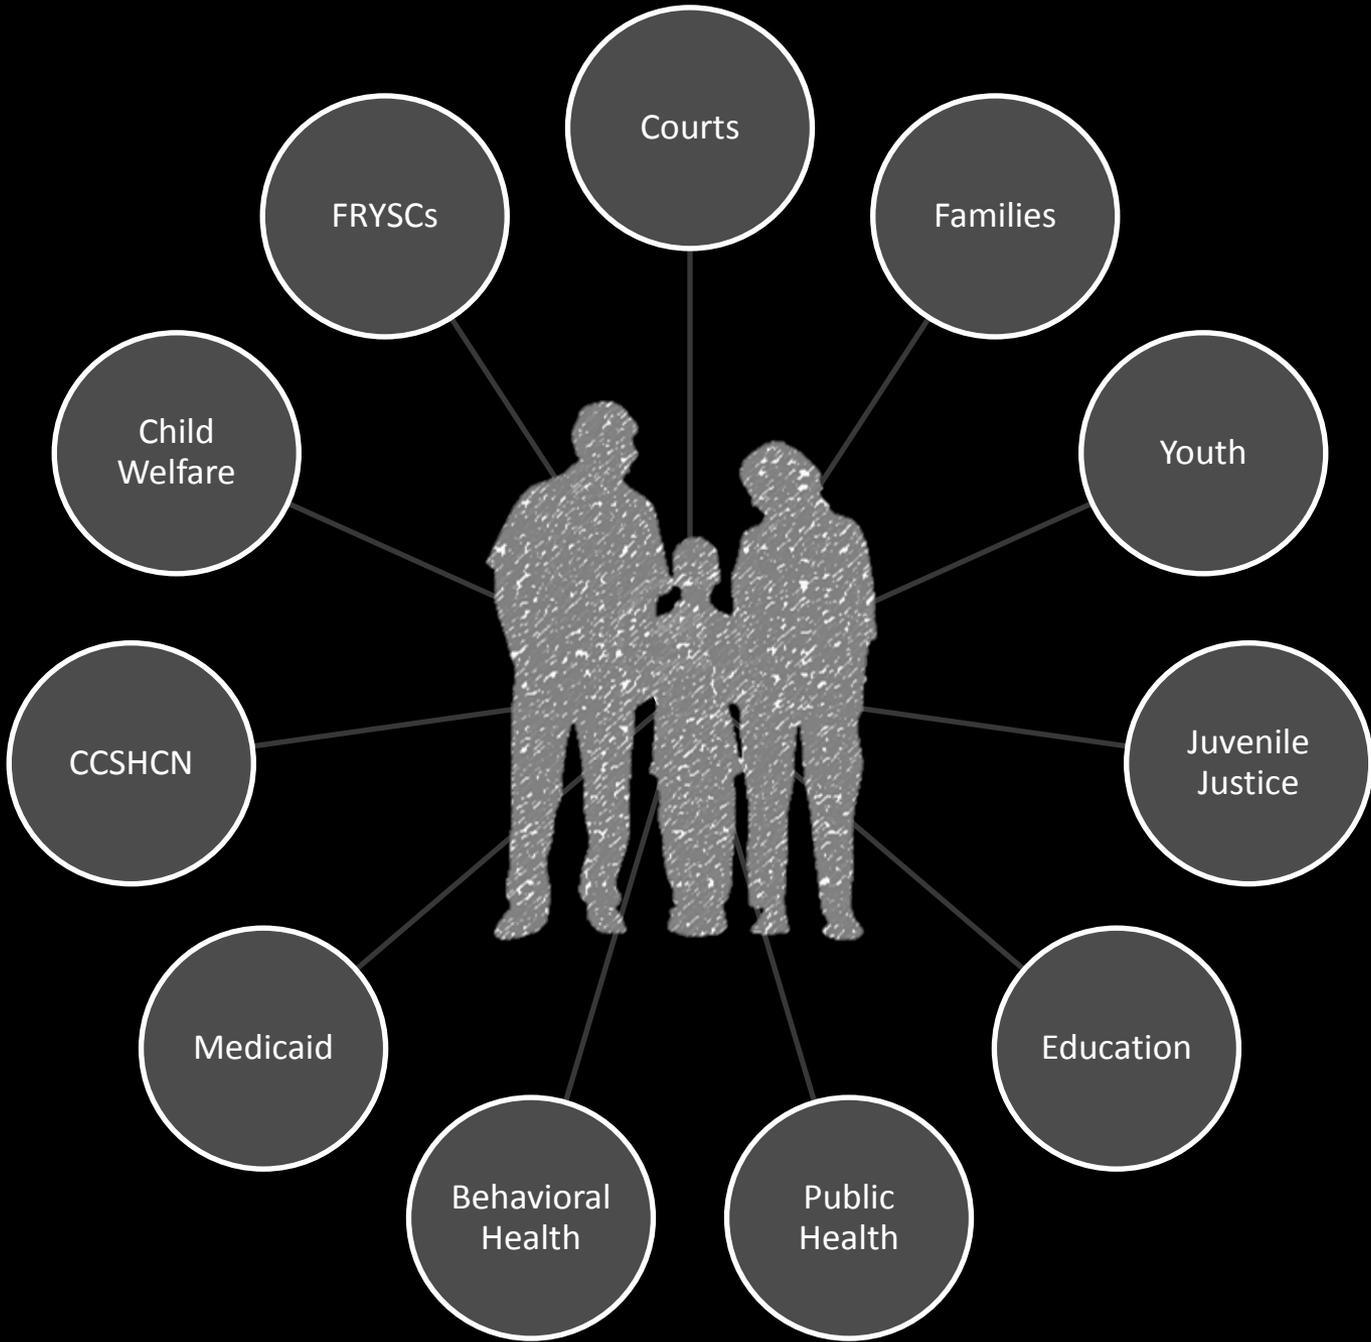

(Yes, at the same time.)

Any change, even a change for the better, is always accompanied by drawbacks and discomforts.

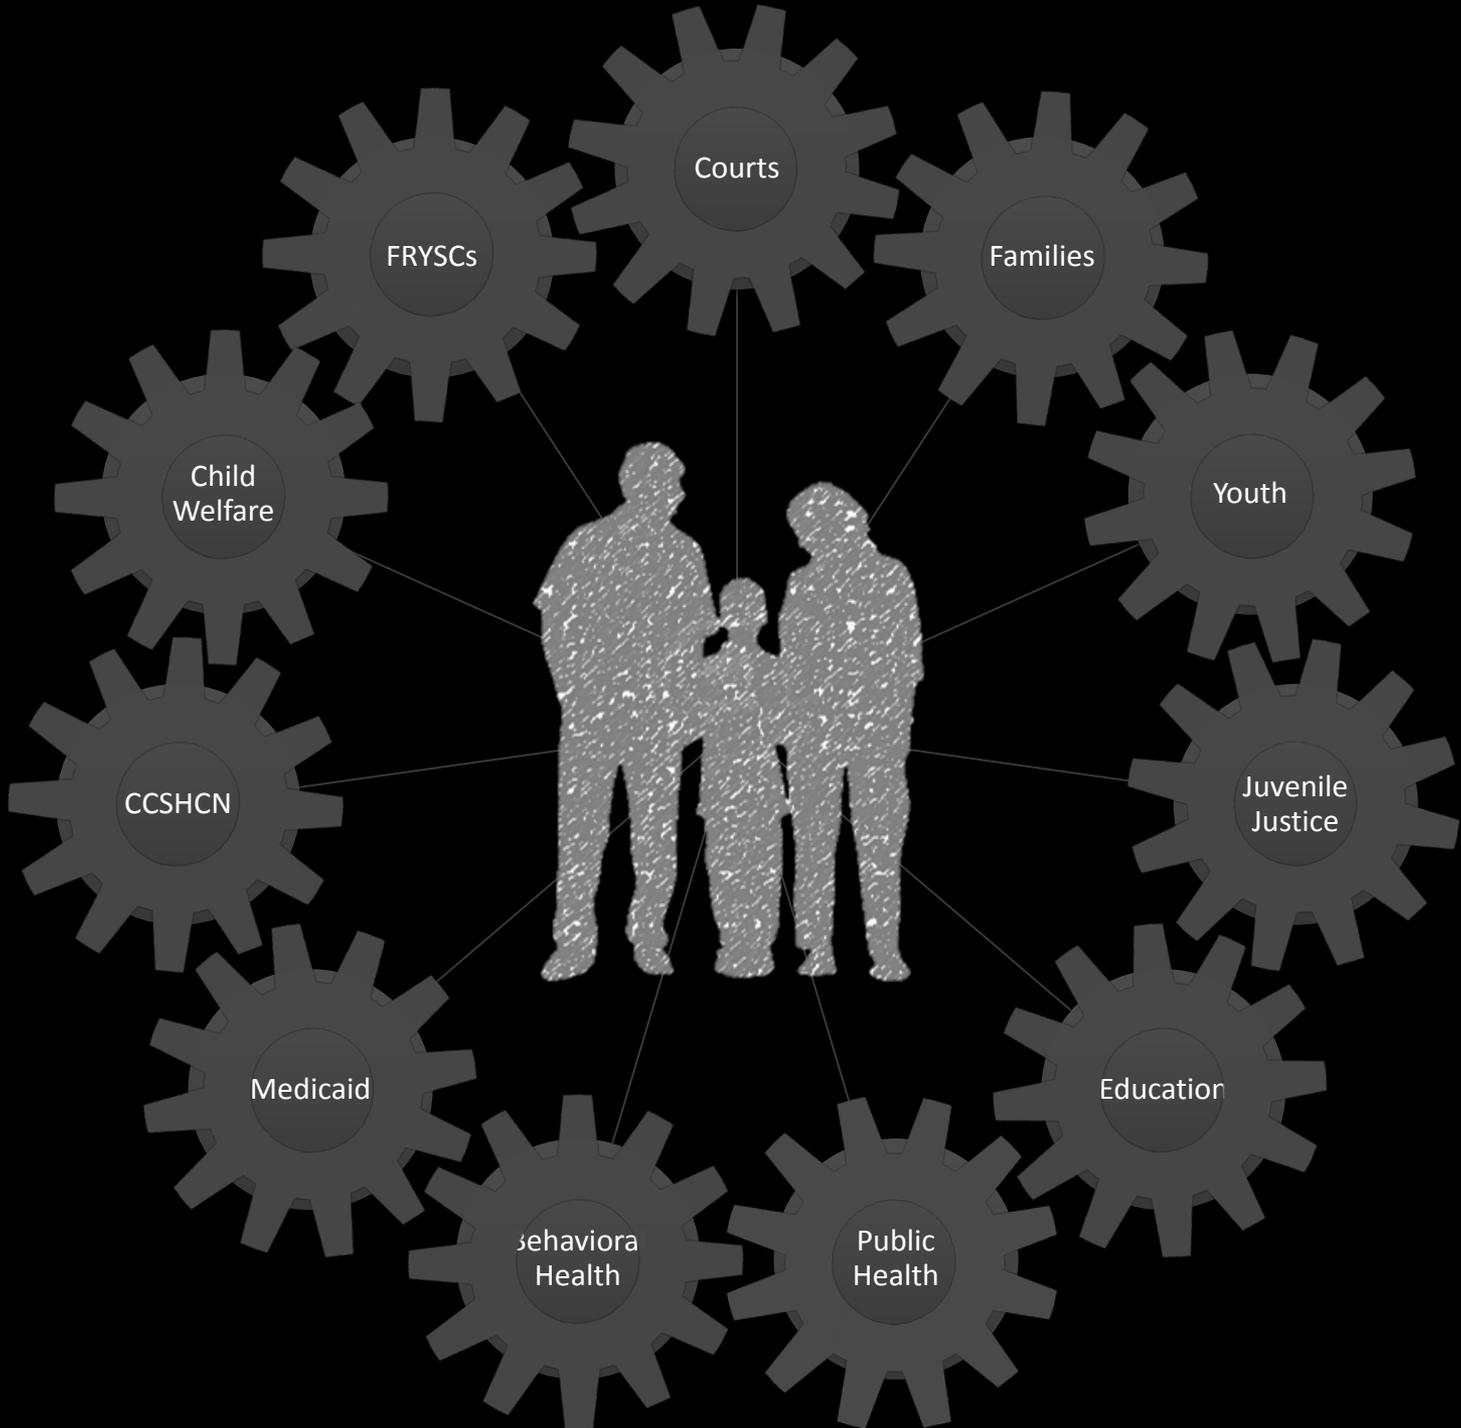

--Arnold Bennett
