

**WE NEED**

# PARENT VOICE

**You are the expert!**

**CLICK HERE TO APPLY**  
.....

**Represent the voice of parents with a child or transition-age youth (birth to age 25) with behavioral health (mental health and/or substance use) needs**

**Participate monthly as a voting member**

**Receive \$50 compensation for your participation at each meeting**

**Connect with decision-makers**

**Gain experiences to build your professional resume**

**Have access to trainings, conferences, and support groups**

**Earn additional compensation for participating in other meeting opportunities**

## **Parent Requirements**

- Biological parent, adoptive parent, or relative caregiver with permanent legal custody of a child or transition-age youth (birth to age 25) with a behavioral health need who is a consumer of system of care (SOC) services and supports;
- Be the voice for Kentucky families with children receiving services and supports within the SOC;
- Demonstrate passion to assist others; and
- Connect with other parent and family leaders and be willing to share, as appropriate, their lived experiences about barriers and strengths within the system.
