

# TA Tidbit

## Participant Directed Services

Participant Directed Services (PDS) allows people eligible for Medicaid waiver services to choose their own providers for non-medical waiver services. Agencies interested in being certified should email [hcb inquiries@ky.gov](mailto:hcb inquiries@ky.gov) and Martin Raymer at [martin.raymer@ky.gov](mailto:martin.raymer@ky.gov). This does not impact the agency's provider number certification.
