

How to Referrals Someone for Services Provided by the Community Mental Health Centers

Would you like to refer someone for services provided by a Community Mental Health Center (CMHC)?
If yes, follow the steps below to directly contact the CMHC of your choice.

1. Use this tool to identify the CMHC that serves the county where the person you would like to refer for services currently resides. Open this link [Community Mental Health Centers - County Served](#). Choose the county of residence from the menu in the middle of the page to identify the CMHC serving that county.

2. Once you know which CMHC serves the county where the person you would like to refer for services currently resides, click on the respective link below which contains the contact information for that CMHC.
