

Notice of Funding Opportunity Kentucky's Recovery Community Center Expansion FY 24

The Department for Behavioral Health, Developmental and Intellectual Disabilities (DBHDID) and the Kentucky Opioid Response Effort (KORE) is releasing a new funding opportunity to award up to four (4) grants to support eligible agencies to establish or expand the Recovery Community Center (RCC) model. Applications are due January 4, 2023. The required information including the Notice of Funding Opportunity announcement, which includes applicant instructions and eligibility, budget template and planning guide, and an attestation to access to FDA-Approved Medications for Opioid Use Disorder can be found in the links below:
